ABOUT THE COLLEGE

Nirmala College of Pharmacy (Autonomous) is a self financed Institution established and administered by the Society of Catechist Sisters of St. Ann, Hyderabad, under article 30(1) according to the constitution of India. Nirmala College of Pharmacy (NCPA) started in the year 2004 offering Diploma, B. Pharmacy, Doctor of Pharmacy, Pharm D (PB), M. Pharmacy four specializations Pharmaceutics, Pharmaceutical Analysis, Pharmacology, Regulatory Affairs and Ph.D. The institution is accredited by NAAC (A Grade), approved under UGC 2f & 12b. The institution is also approved by PCI, affiliated to Acharya Nagarjuna University and received autonomous status. The institution has its own spectacular buildings with spacious well-equipped sophisticated laboratories, classrooms and other facilities as per the norms and standards of Pharmacy council of India (PCI). NCPA has been successful in providing and maintaining high quality in Teaching and Research in Pharmaceutical Sciences. NCPA already arranged several national seminars sponsored by SERB, DBT and ICMR.

HOW TO REACH VENUE

The Nirmala College of Pharmacy is located in Mangalagiri, Andhra Pradesh, India. The college is situated in the Mangalagiri region, which lies between Vijayawada and Guntur, making it accessible from both cities.

OBJECTIVES OF SYMPOSIUM

- Nano-biotechnology Innovation and sustainable practice in drug design.
- Current trend in Pharmaceutical Technology transfer.
- To investigate how computational tools and nano-engineering techniques can be combined to enhance drug discovery.
- Protein and peptide in Modern Drug Design
- To present the latest advancements in computational simulations that model nanoscale interactions.
- To examine the impact of AI and machine learning on optimizing nanomaterials design and drug discovery processes, focusing on predictive analytics and decision-making in nanomedicine.
- To foster interdisciplinary collaborations that bridge the gap between academic research, industrial application, and regulatory frameworks.
